

Home Equity Line of Credit Application

This application is designed to be completed by the applicant(s) with the Lender's assistance. Applicants should complete this form as "Borrower" or "Co-Borrower", as applicable. Co-Borrower information must also be provided (and the appropriate box checked) when the income or assets of a person other than the "Borrower" (including the Borrower's spouse) will be used as a basis for loan qualification or the income or assets of the Borrower's spouse or other person who has community property rights pursuant to state law will not be used as a basis for loan qualification, but his or her liabilities must be considered because the spouse or other person has community property rights pursuant to applicable law and Borrower resides in a community property state, the security property is located in a community property state, or the Borrower is relying on other property located in a community property state as a basis for repayment of the loan.

If this is an application for joint credit, Borrower and Co-Borrower each agree that we intend to apply for joint credit (sign below):

Originator NMLSR ID: 913852
Origination Co. NMLSR ID: 475602

This disclosure contains important information about our HELOC (Fixed 36 Months) (the "Plan" or the "Credit Line"). You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS. All of the terms of the Plan described herein are subject to change. If any of these terms change and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you paid to us or anyone else in connection with your application.

SECURITY INTEREST. We will take a security interest in your home. You could lose your home if you do not meet the obligations in your agreement with us.

POSSIBLE ACTIONS. Under this Plan, we have the following rights:

Termination and Acceleration. We can terminate the Plan and require you to pay us the entire outstanding balance in one payment, and charge you certain fees, if any of the following happens:

- (a) You commit fraud or make a material misrepresentation at any time in connection with the Plan. This can include, for example, a false statement about your income, assets, liabilities, or any other aspect of your financial condition.
- (b) You do not meet the repayment terms of the Plan.
- (c) Your action or inaction adversely affects the collateral for the Plan or our rights in the collateral. This can include, for example, failure to maintain required insurance, waste or destructive use of the dwelling, failure to pay taxes, death of all persons liable on the account, transfer of title or sale of the dwelling, creation of a senior lien on the dwelling without our permission, foreclosure by the holder of another lien or the use of funds or the dwelling for prohibited purposes.

Suspension or Reduction. In addition to any other rights we may have, we can suspend additional extensions of credit or reduce your credit limit during any period in which any of the following are in effect:

- (a) The value of your dwelling declines significantly below the dwelling's appraised value for purposes of the Plan. This includes, for example, a decline such that the initial difference between the credit limit and the available equity is reduced by fifty percent and may include a smaller decline depending on the individual circumstances.
- (b) We reasonably believe that you will be unable to fulfill your payment obligations under the Plan due to a material change in your financial circumstances.
- (c) You are in default under any material obligation of the Plan. We consider all of your obligations to be material. Categories of material obligations include, but are not limited to, the events described above under Termination and Acceleration, obligations to pay fees and charges, obligations and limitations on the receipt of credit advances, obligations concerning maintenance or use of the dwelling or proceeds, obligations to pay and perform the terms of any other deed of trust, mortgage or lease of the dwelling, obligations to notify us and to provide documents or information to us (such as updated financial information), obligations to comply with applicable laws (such as zoning restrictions).
- (d) We are precluded by government action from imposing the annual percentage rate provided for under the Plan.
- (e) The priority of our security interest is adversely affected by government action to the extent that the value of the security interest is less than 120 percent of the credit limit.
- (f) We have been notified by governmental authority that continued advances may constitute an unsafe and unsound business practice.
- (g) The maximum annual percentage rate under the Plan is reached.

Change in Terms. We may make changes to the terms of the Plan if you agree to the change in writing at that time, if the change will unequivocally benefit you throughout the remainder of the Plan, or if the change is insignificant (such as changes relating to our data processing systems).

Fees and Charges. In order to open and maintain an account, you must pay certain fees and charges.

MINIMUM PAYMENT REQUIREMENTS. You can obtain advances of credit during the following period: 36 months (the "Draw Period"). Your Regular Payment will equal the amount of your accrued FINANCE CHARGES. You will make 35 of these payments. You will then be required to pay the entire balance owing in a single balloon payment. If you make only the minimum payments, you may not repay any of the principal balance by the end of this payment stream. Your payments will be due monthly. Your "Minimum Payment" will be the Regular Payment, plus any amount past due and all other charges.

MINIMUM PAYMENT EXAMPLE. If you made only the minimum payment and took no other credit advances, it would take 3 years to pay off a credit advance of \$10,000.00 at an ANNUAL PERCENTAGE RATE of 7.750%. During that period, you would make 35 monthly payments ranging from \$59.45 to \$65.82 and one final payment of \$10,065.82.

TRANSACTION REQUIREMENTS. The following transaction limitations will apply to the use of your Credit Line:

Telephone Request and In Person Request Limitations. There are no transaction limitations for requesting an advance by telephone or requesting an advance in person.

TAX DEDUCTIBILITY. You should consult a tax advisor regarding the deductibility of interest and charges for the Plan.

ANNUAL PERCENTAGE RATE INFORMATION. The ANNUAL PERCENTAGE RATE under the Plan is not based on an Index. It is based upon a fixed rate, which will be specified either at the time you receive a loan commitment or at the loan closing, and will be based upon the market conditions at that time. An ANNUAL PERCENTAGE RATE of 7.750% percentage points is representative of a fixed rate recently offered by us under the Plan. The ANNUAL PERCENTAGE RATE does not include costs other than interest. Please ask us for the current annual percentage rate under the Plan.

PREPAYMENT. You may prepay all or any amount owing under the Plan at any time without penalty.

Telephone Request and In Person Request Limitations. There are no transaction limitations for requesting an advance by telephone or requesting an advance in person.

TAX DEDUCTIBILITY. You should consult a tax advisor regarding the deductibility of interest and charges for the Plan.

VARIABLE RATE FEATURE. The Plan has a variable rate feature. The ANNUAL PERCENTAGE RATE (corresponding to the periodic rate), and the minimum payment amount can change as a result. The ANNUAL PERCENTAGE RATE does not include costs other than interest.

THE INDEX. The annual percentage rate is based on the value of an index (referred to in this disclosure as the "Index"). The Index is the Wall Street Journal Rate as published in the Wall Street Journal Money Rates Section. Information about the Index is available or published in the Wall Street Journal. We will use the most recent Index value available to us as of 45 days prior to any annual percentage rate adjustment.

ANNUAL PERCENTAGE RATE. To determine the Periodic Rate that will apply to your account, we add a margin to the value of the Index, round that sum to the nearest 0.125%, then divide the rounded value by 365 days. To obtain the ANNUAL PERCENTAGE RATE we multiply the Periodic Rate by the number of days in a year (366 during leap years). This result is the **ANNUAL PERCENTAGE RATE**. A change in the Index rate generally will result in a change in the ANNUAL PERCENTAGE RATE. The amount that your ANNUAL PERCENTAGE RATE may change also may be affected by the lifetime annual percentage rate limits, as discussed below.

Please ask us for the current Index value, margin and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we send you.

FREQUENCY OF ANNUAL PERCENTAGE RATE ADJUSTMENTS. Your ANNUAL PERCENTAGE RATE can change daily. There is no limit on the amount by which the annual percentage rate can change during any one year period. However, under no circumstances will your ANNUAL PERCENTAGE RATE exceed 18.000% per annum or, go below 4.750% per annum at any time during the term of the Plan.

MAXIMUM RATE AND PAYMENT EXAMPLE. If you had an outstanding balance of \$10,000.00, the minimum payment at the maximum ANNUAL PERCENTAGE RATE of 18.000% would be \$152.88. This ANNUAL PERCENTAGE RATE could be reached at the time of the 1st payment.

PREPAYMENT. You may prepay all or any amount owing under the Plan at any time without penalty.

HISTORICAL EXAMPLE. The example below shows how the ANNUAL PERCENTAGE RATE and the minimum payments for a single \$10,000.00 credit advance would have changed based on changes in the Index from 2011 to 2025. The Index values are from the following reference period: as of the first business day of January. While only one payment per year is shown, payments may have varied during each year. Different outstanding principal balances could result in different payment amounts.

The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during the year. It does not necessarily indicate how the Index or your payments would change in the future.

Home Equity Lines of Credit (HELOC)

An official publication of the U.S. government

How to use the booklet

When you and your lender discuss home equity lines of credit, often referred to as HELOCs, you receive a copy of this booklet. It helps you explore and understand your options when borrowing against the equity in your home.

You can find more information from the Consumer Financial Protection Bureau (CFPB) about home loans at cfpb.gov/mortgages. You'll also find other mortgage-related CFPB resources, facts, and tools to help you take control of your borrowing options.

About the CFPB

The CFPB is a 21st century agency that implements and enforces federal consumer financial law and ensures that markets for consumer financial products are fair, transparent, and competitive.

This pamphlet, titled What you should know about home equity lines of credit, was created to comply with federal law pursuant to 15 U.S.C. 1637a(e) and 12 CFR 1026.40(e).

How can this booklet help you?

This booklet can help you decide whether home equity line of credit is the right choice for you, and help you shop for the best available option.

A home equity line of credit (HELOC) is a loan that allows you to borrow, spend, and repay as you go, using your home as collateral.

Typically, you can borrow up to a specified percentage of your equity. Equity is the value of your home minus the amount you owe on your mortgage.

Consider a HELOC if you are confident you can keep up with the loan payments. If you fall behind or can't repay the loan on schedule, you could lose your home.

After you finish this booklet:

- You'll understand the effect of borrowing against your home
- You'll think through your borrowing and financing options, besides a HELOC
- You'll see how to shop for your best HELOC offer
- You'll see what to do if the economy or your situation changes

Before you decide to take out a HELOC, it might make sense to consider other options that might be available to you, like the ones below.

TIP

Renting your home out to other people may be prohibited under the terms of your line of credit.

MONEY SOURCE	HOW MUCH CAN YOU BORROW	VARIABLE OR FIXED RATE	IS YOUR HOME AT RISK?	TYPICAL ADVANTAGES	TYPICAL DISADVANTAGES
HELOC <i>You borrow against the equity in your home</i>	Generally a percentage of the appraised value of your home, minus the amount you owe on your mortgage	Variable, typically	Yes	Continue repaying and borrowing for several years without additional approvals or paperwork	Repayment amount varies; repayment is often required when you sell your home
SECOND MORTGAGE OR HOME EQUITY LOAN <i>You borrow against the equity in your home</i>	Generally a percentage of the appraised value of your home, minus the amount you owe on your mortgage	Fixed	Yes	Equal payments that pay off the entire loan	If you need more money, you need to apply for a new loan; repayment is often required when you sell your home
CASH-OUT REFINANCE <i>You replace your existing mortgage with a bigger mortgage and take the difference in cash</i>	Generally a percentage of the appraised value of your home; the amount of your existing loan plus the amount you want to cash out	Variable or fixed	Yes	Continue to make just one mortgage payment	Closing costs are generally higher; it may take longer to pay off your mortgage; interest rate may be higher than your current mortgage
PERSONAL LINE OF CREDIT <i>You borrow based on your credit, without using your home as collateral</i>	Up to your credit limit, as determined by the lender	Variable, typically	No	Continue repaying and borrowing for several years without additional approvals or paperwork	Solid credit is required; you may need to pay the entire amount due once a year; higher interest rate than a loan that uses your home as collateral

How HELOCs work

PREPARE FOR UP-FRONT COSTS

Some lenders waive some or all of the up-front costs for a HELOC. Others may charge fees. For example, you might get charged:

- A fee for a property **appraisal**, which is a formal estimate of the value of your home
- An application fee, which might not be refunded if you are turned down
- Closing costs, including fees for attorneys, title search, mortgage preparation and filing, property and title insurance, and taxes

PULL MONEY FROM YOUR LINE OF CREDIT

Once approved for a HELOC, you can generally spend up to your credit limit whenever you want. When your line of credit is open for spending, you are in the you are in the **borrowing period**, also called the **draw period**. Typically, you use special checks or a credit card to draw on your line. Some plans require you to borrow a minimum amount each time (for example, \$300) or keep a minimum amount outstanding. Some plans require you to take an initial amount when the credit line is set up.

MAKE REPAYMENTS DURING THE “DRAW PERIOD”

Some plans set a minimum monthly payment that includes a portion of the **principal** (the amount you borrow) plus accrued interest. The portion of your payment that goes toward principal typically does not repay the principal by the end of the term. Other plans may allow payment of the interest only, during the draw period, which means that you pay nothing toward the principal.

If your plan has a variable interest rate, your monthly payments may change even if you don't draw more money.

ENTER THE “REPAYMENT PERIOD”

Whatever your payment arrangements during the draw period—whether you pay some, a little, or none of the principal amount of the loan—when the draw period ends you enter a repayment period. Your lender may set a schedule so that you repay the full amount, often over ten or 15 years.

Or, you may have to pay the entire balance owed, all at once, which might be a large amount called a **balloon payment** by refinancing it with the lender, getting a loan from another lender, or some other means. If you are unable to pay the balloon payment in full, you could lose your home.

RENEW OR CLOSE OUT THE LINE OF CREDIT

At the end of the repayment period, your lender might encourage you to leave the line of credit open. This way you don't have to go through the cost and expense of a new loan, if you expect to borrow again. Be sure you understand if annual maintenance fees or other fees apply, even if you are not actively using the credit line.

TIP

If you sell your home, you are generally required to pay off your HELOC in full immediately. If you are likely to sell your home in the near future, consider whether or not to pay the up-front costs of setting up a line of credit.

How variable interest rates work

Home equity lines of credit typically involve variable rather than fixed interest rates.

A variable interest rate generally has two parts: the index and the margin.

An **index** is a measure of interest rates generally that reflects trends in the overall economy. Different lenders use different indexes in their loans. Common indexes include the U.S. prime rate and the Constant Maturity Treasury (CMT) rate. Talk with your lender to find out more about the index they use.

The **margin** is an extra percentage that the lender adds to the index.

Lenders sometimes offer a temporarily discounted interest rate for home equity lines—an introductory or **teaser rate** that is unusually low for a short period, such as six months.

Rights and responsibilities

Lenders are required to disclose the terms and costs of their home equity lines of credit. They need to tell you:

- Annual percentage rate (APR)
- Information about variable rates
- Payment terms
- Requirements on transactions, such as minimum draw amounts and number of draws allowed per year

- Annual fees
- Miscellaneous charges

You usually get these disclosures when you receive a loan application, and you get additional disclosures before the line of credit is opened. In general, the lender cannot charge a nonrefundable fee as part of your application until three days after you have received the disclosures.

If the lender changes the terms before the loan is made, you can decide not to go forward with it, and the lender must return all fees. There is one exception: the variable interest rate might change, and in that case if you decide not to go ahead with the loan, your fees are not refunded.

Lenders must give you a list of HUD-approved housing counselors in your area. You can talk to counselor about how HELOCs work and get free or low-cost help with budgeting and money management.

Right to cancel (also called right to rescind)

If you change your mind for any reason, under federal law, you can cancel the credit line in the first three days. Notify the lender in writing within the first three days after the account was opened. The lender must then cancel the loan and return the fees you paid, including application and appraisal fees.

TIP

Some HELOCs let you convert some of your balance to a fixed interest rate. The fixed interest rate is typically higher than the variable rate, but it means more predictable payments.

If something changes during the course of the loan

HELOCs generally permit the lender to freeze or reduce your credit line if the value of your home falls or if they see a change for the worse in your financial situation. If this happens, you can:

- **Talk with your lender.** Find out the reason for the freeze or reduction. You might need to check your credit reports for errors that might have caused a downgrade in your credit. Or, you might need to talk with your lender about a new appraisal on your home and make sure the lender agrees to accept a new appraisal as valid.
- **Shop for another line of credit.** If another lender offers you a line of credit, you may be able to use that to pay off your original line of credit. Application fees and other fees may apply for the new loan.

WELL DONE!

For most people, a home is their most valuable asset. A HELOC can help you make the most of this asset, when you understand the ins and outs and know what to expect.

ASK YOURSELF

Have I considered other sources of money and loans, besides a HELOC?

Have I shopped around for HELOC features and fees?

Am I comfortable with the worst-case scenario, where I could lose my home?
